

STUDENT LIVE-IN PROGRAM

In September 2012, the Seymour Volunteer Fire Department (SVFD) received a 4-year Staffing for Adequate Fire & Emergency Response (SAFER) Grant from FEMA. This grant allows us to offer college students tuition assistance while seeking a college degree of their choice. In exchange for tuition assistance, a room at one of our six stations, and firefighter training, students pull weekly standby and participate in departmental public relations events.

"I WOULD NEVER HAVE BEEN
ABLE TO GO BACK TO SCHOOL
IF IT WAS NOT FOR THIS
PROGRAM."

~ TIM GEAGLEY

Established in 1971, the Seymour Volunteer Fire Department serves a 95-square mile area that includes portions of Sevier, Blount and Knox counties. Seymour is a rural, unincorporated town located in east Tennessee whose population includes 40,000 citizens and businesses. The department currently has 52 members and six stations which house 25 apparatus.
